

How to Change Website Solution Email Platform Wemail Control Panel Password ?

Wemail Control Panel

Please login to Wemail Control Panel (URL : <https://mail.wemail.hk:2222>)

Please use your username and password in your email to login.

Please click on the green "Password" button or click "Change Password"

The screenshot shows the Wemail Control Panel interface. At the top, there is a navigation bar with buttons for Home, Webmail, Password (circled in red), and Logout. Below this is the 'E-Mail Management' section with links for E-Mail Accounts, Vacation Messages, Spamassassin Setup, SPAM Filters, Forwarders, Autoresponders, and Webmail: Squirrelmail. To the right, there is a 'Your Account' section with a 'Disk Space' table:

	Used	Max
Disk Space (mb)	0.1641	20480
Bandwidth (gb)	0.0003	unlimited
E-Mails	2	21

Below the 'Advanced Feature' section, the 'Change Password' link is circled in red. Other links include Login History, DNS Management, MX Records, and Advanced Email Setting.

Enter Old Password -> Enter New Password -> Re-Enter Password -> Click "Submit"

Please note your password must be at least 8 characters, including letters & numbers.

The screenshot shows the 'Change your Control Panel Password' form. It has three input fields: 'Enter Old Password:', 'Enter Password:', and 'Re-Enter Password:'. A 'Submit' button is located at the bottom right.
